NON WOOD - Crossbars

C
COR
FEX
CONTAINER
STORAGE
SYSTEM

Advantages to the conventional solid wood crossbars:

- ▶ higher load capacity, elasticity and resistance to breakage
 - ▶ lower, absolutely constant dead weight
 - ▶ dimensionally stable, mold-free (residual moisture ≈8%)
 - ▶ not a product of the risk list for packaging wood
- » **no phytosanitary reporting obligations**
- » **faster import processing**
